

A4 | S4

The Audi A4.

It's lighter, more agile and more advanced than its predecessor. We've enhanced almost every part of the Audi A4, bringing innovative features to the cabin and putting more power under the bonnet. The design has been refined, the technology has advanced and we've updated our range of engines and transmissions. The only thing that hasn't changed is the name.

Contents

This pricelist is designed to take you logically through the features and options available for the A4 and S4 Saloon and Avant. But if you'd like to go straight to a particular section, simply click on the relevant page number below.

SE

Key features that come as standard

SE offers premium specification as standard. Highlights include Xenon headlights with LED daytime-running lights, Audi Smartphone Interface, 3-zone climate control and a 7" colour MMI monitor. In Avant versions, a power operated tailgate and an electrically retracting luggage cover are also standard, facilitating access to the Avant's accommodating load bay.

Wheels

- ▶ 17" '10-spoke crystal' design alloy wheels
- ▶ ultra TDI models come with low rolling resistance tyres
- ▶ Space-saver spare wheel
- ▶ Tool kit and car jack

Performance and suspension

- ▶ Automatic Start-Stop with coasting functionality and efficiency programme
- ▶ Electromechanical power steering
- ▶ Comfort Dynamic suspension (ultra TDI models come with Sport suspension)
- ▶ Audi Drive Select

Lighting

- ▶ Xenon headlights with LED daytime-running lights

Exterior equipment

- ▶ Radiator grille in Titan black with chrome inlays
- ▶ Air inlets in Titan black
- ▶ Door handles with chrome inlay
- ▶ Rear diffuser in Titan black, matt
- ▶ Rear diffuser clip in chrome
- ▶ Chrome-plated exhaust trims
- ▶ Aluminium roof rails (Avant models only)
- ▶ High-gloss package – roof frame and window trims in Aluminium, B-pillar trims and triangular rear door trim in High-gloss black
- ▶ Door mirrors – electrically adjustable and heated with integrated LED side indicators
- ▶ Body-coloured door mirrors
- ▶ Towbar preparation
- ▶ Windscreen with acoustic glazing

Seats

- ▶ Standard seats in Concept cloth
- ▶ Manual seat adjustment
- ▶ Split-folding rear seat bench in three parts (40/20/40) with rear centre armrest

Inlays

- ▶ Inlays in Aluminium Ellipse, silver

Interior equipment

- ▶ Deluxe 3-zone electronic climate control
- ▶ 3-spoke leather multi-function steering wheel with chrome clip (and paddles for automatic transmissions) – height and reach-adjustable
- ▶ Door sill trims with Aluminium inlay
- ▶ Auto-dimming rear-view mirror
- ▶ Front centre armrest
- ▶ Electric boot lid release (Saloon models only)
- ▶ Power operated tailgate (Avant models only)
- ▶ Electric load area cover (Avant models only)
- ▶ Interior lighting

Audio and communication

- ▶ MMI Radio Plus with 7" colour MMI screen
- ▶ Audi Smartphone Interface
- ▶ Driver's Information System – 5" monochrome display
- ▶ Voice control
- ▶ Bluetooth interface[†]
- ▶ DAB digital radio reception
- ▶ 8 passive loudspeakers
- ▶ Two USB charging ports
- ▶ CD drive
- ▶ Navigation preparation ('Ready 4 Nav')

Driver assistance

- ▶ Cruise control system with speed limiter. Free-wheeling capability on models with automatic transmissions
- ▶ Parking System Plus – front and rear parking sensors
- ▶ Keyless go
- ▶ Pre-sense city
- ▶ Multi-collision brake assist

Safety and security

- ▶ Pop-up bonnet for pedestrian protection
- ▶ Electronic Stabilisation Control (ESC), including ABS, ASR and EDL
- ▶ Light and rain sensor
- ▶ Anti-theft alarm
- ▶ ISOFIX child seat mounting and Top Tether
- ▶ 6-airbag system
- ▶ Anti-theft wheel bolts
- ▶ First aid kit with warning triangle
- ▶ Seat belt monitoring

Sport

Specification in addition to SE

The Sport trim builds off the same premium specification as SE with exterior styling upgrades for an enhanced sporty look. Inside, you gain MMI Navigation and an automatic 3-month subscription to Audi Connect Infotainment Services. Sport seats, a Sport steering wheel and the 180-watt Audi Sound System are also among the additional benefits.

Wheels

- ▶ 17" '5-spoke Y' design alloy wheels
- ▶ ultra TDI models come with low rolling resistance tyres

Exterior equipment

- ▶ Radiator grille in Twilight grey matt with chrome inlays
- ▶ Air inlets in Titan black with 2 horizontal inlays in chrome
- ▶ Rear diffuser in Twilight grey matt
- ▶ Door handles in body colour

Seats

- ▶ Front Sport seats in System cloth

Interior equipment

- ▶ 3-spoke leather multi-function Sport steering wheel
- ▶ LED Interior Lighting Pack

Audio and communication

- ▶ MMI Navigation with 7" colour MMI screen
 - ▶ 3D map display
 - ▶ MMI search
 - ▶ 2x SDXC card readers
- ▶ Audi Connect Infotainment Services (3-month trial)^
- ▶ Audi Sound System with 10 loudspeakers

^For more information on Audi Connect Infotainment Services please see page 66.

S line

Specification in addition or replacement to Sport

Designed with the most driving-focused owners in mind, the S line specification includes an upgrade to a larger 18” alloy wheel, and visual enhancements courtesy of bespoke S line exterior styling. It stands out on the road with LED headlights, incorporating LED daytime-running lights and LED rear lights with dynamic rear indicators. Sport seats upholstered in a combination of cloth and leather help to set the tone inside, and Sport suspension does the same for the driving experience.

Wheels

- ▶ 18” ‘5-twin-spoke star’ design alloy wheels

Performance and suspension

- ▶ Sport suspension – lowered by 20mm

Lighting

- ▶ LED headlights with LED rear lights and dynamic rear indicators

Exterior equipment

- ▶ S line front and rear bumpers and side skirts
- ▶ Radiator grille in Twilight grey matt with chrome inlays
- ▶ Side air inlet grille in Titan black matt with chrome inlays in unique S line design
- ▶ Rear diffuser in Twilight grey matt
- ▶ Rear grille, black grained
- ▶ S line badges on the front wings
- ▶ S line roof edge spoiler (Avant models only)

Seats

- ▶ Front Sport seats with ‘S’ embossed logo
- ▶ Sprint cloth/leather
- ▶ 4-way electric lumbar support

Inlays

- ▶ Inlays in Matt brushed aluminium

Interior equipment

- ▶ S line 3-spoke leather multi-function Sport steering wheel, grips in perforated leather (and paddles for automatic transmissions)
- ▶ Gear-lever knob in black perforated leather
- ▶ Illuminated door sill trims with ‘S’ logo
- ▶ Pedals and footrest in stainless steel
- ▶ Headlining in black cloth
- ▶ Contrast stitching on seats, steering wheel and gear-lever gaiter

S4

Specification in addition or replacement to S line

Enhanced brakes and suspension. A significantly more powerful engine. Unique S4 exterior styling. Every feature of the Audi S4 is chosen to deliver an engaging and exhilarating drive. And with a high level of standard equipment offering the best in technology and comfort, it's the pinnacle of the A4 range.

Wheels

- ▶ 18" '5-V spoke' design alloy wheels in matt black, diamond cut finish

Performance and suspension

- ▶ 'S' Sport suspension
- ▶ 'S' model enhanced braking system

Lighting

- ▶ High-beam assist
- ▶ Headlight washers

Exterior equipment

- ▶ 'S' radiator grille in Twilight grey matt with dual struts in aluminium and S4 logo
- ▶ 'S' specific side air inlets in Titan black with chrome inlays in unique 'S' design
- ▶ 'S' rear diffuser in Twilight grey matt and honeycomb grille in black
- ▶ Rear spoiler
- ▶ 'S' specific dual-branch chrome tailpipes, with twin oval pipes on both the left and right
- ▶ Brake calipers painted in black with S4 logo at the front
- ▶ Aluminium-effect door mirror housings
- ▶ Door handles with chrome trim

Seats

- ▶ Front 'S' Super Sport seats, electrically adjustable with 'S' embossed logo
- ▶ Fine Nappa leather upholstery
- ▶ Lumbar support, pneumatically adjustable with massage function
- ▶ Heated front seats

Interior equipment

- ▶ 'S' instrument dials
- ▶ Extended Interior Upholstery Pack
- ▶ High multi-function 3-spoke leather Sport steering wheel with 'S' badging and paddles
- ▶ Gear lever with diamond 'S' badge
- ▶ Gear lever knob in black leather
- ▶ Key with S4 logo

Audio and communication

- ▶ MMI Navigation Plus with 8.3" high-resolution colour screen
- ▶ MMI Touch control panel
- ▶ Audi Connect Infotainment Services (36-month subscription)
- ▶ Driver's Information System – 7" colour display

Lighting

		SE	Sport	S line	S4	Total RRP inc VAT ⁺
PXC	Matrix LED headlights with LED rear lights and dynamic front and rear indicators Audi Matrix LED technology provides precise illumination of the road whilst reducing the risk of dazzling other road users. Using information from the vehicle's sensors, camera and MMI Navigation (if equipped), Matrix LED calculates the appropriate lighting required and automatically dips or turns off individual lighting diodes, creating corridors of lights either side of the vehicle or the object in front of it. Includes dynamic front and rear indicators which sweep from inside to out. This helps to clearly identify not only that the vehicle is turning, but in which direction. Also available in Light and Vision Pack (WB7, 9S8)	•	•	-	-	£1,750
		-	-	•	•	£650
PX2	LED headlights with LED rear lights and dynamic rear indicators All-weather headlights with dynamic headlight adjustment and dipped beam, high beam, indicators and turning light with LED technology. Enables a near daylight illumination of the road, minimum energy consumption and long service life. Includes dynamic rear indicators which sweep from inside to out. This helps to clearly identify not only that the vehicle is turning, but in which direction	•	•	S	S	£1,050
8G1	High-beam assist Within system limits, High-beam assist detects the headlights of oncoming traffic, the rear lights of other road users and light sources in built-up areas. Depending on the traffic situation, the high beam automatically adjusts to dipped beam and vice versa. The system improves the driver's visibility and ensures a more relaxed drive thanks to the extra comfort and convenience. Also available in Vision Pack (WB6, 9S8). Not available in combination with Matrix LED headlights (PXC) or Light and Vision Pack (WB7, 9S8)	•	•	•	S	£150
8X1	Headlight washers For excellent illumination and improved visibility	•	•	•	S	£250

Technology Packs

Technology Pack

This pack brings together the most popular technology options that are frequently ordered together for those wanting the highest level of connectivity and navigation.

MMI Navigation Plus with MMI Touch

In addition to standard MMI Radio Plus, includes the following:

- ▶ 8.3" high-resolution, colour MMI display with aluminium frame
- ▶ Touch-sensitive control panel for fast, intuitive operation, handwriting recognition, and ability to move and zoom freely on the map
- ▶ Integrated navigation with 3D map display of places of interest
- ▶ Online Map updates
- ▶ Detailed route information: map preview, choice of alternative routes, POIs, lane recommendations, motorway exits, detailed junction maps and more
- ▶ Dynamic route guidance traffic updates with TMCpro (in combination with Audi Connect Infotainment Services: traffic information online)

- ▶ MMI search: free text search with intelligent suggestions provided during entry
- ▶ Natural voice recognition
- ▶ Jukebox hard drive memory for music (10GB)
- ▶ DVD drive for music CDs and video DVDs
- ▶ 2x SDXC memory card readers

Driver's Information System – 7" colour display

High-resolution TFT 7" full colour display in the instrument cluster offering an even better overview and readability of information compared to the standard 5" display. Displays additional information from the standard DIS such as navigation map and driver assistance systems

High multi-function 3-spoke leather trimmed steering wheel

Includes paddles for automatic transmission. Control of onboard computer, telephone, radio and navigation system with both hands on the steering wheel. Please refer to www.audi.co.uk/configurator for more information.

Audi Connect Infotainment Services (3-year subscription)

Convenient connection of your vehicle to the internet via an integrated data module with LTE/UMTS connection. Highlights of Audi Connect Infotainment Services include navigation with Google Earth™ and Google Street View™, destination input via myAudi or Google Maps™, access to Google and Twitter, weather and news online and travel information. See page 66 for more information

Audi Phone Box with wireless charging

Offers improved reception quality and wireless charging (with Qi-enabled compatible phones). Audi Phone Box option also provides an additional Bluetooth interface for a second device, meaning two mobile phones can be connected to the vehicle simultaneously. For mobile phone and software version compatibility, please visit your Audi Centre or www.audi.co.uk/phonecompatibility

Technology Packs

Comfort and Sound Pack

A pack that adds value by combining some of our most popular options – designed to offer convenience as well as enhancing your driving comfort, sound experience and pleasure.

Electrically adjustable front seats

Electric adjustment for seat height, seat forwards/backwards position, seat angle and backrest angle

4-way electric lumbar support

For front seats with horizontal and vertical adjustment

Advanced key with electric hands-free boot opening system

Access and authorisation system that works through automatic data exchange between key and vehicle, allowing the driver to keep the car key in their pocket or bag at all times. To unlock and open, simply lift the exterior door handle. Pressing the start/stop button integrated in the centre console starts and stops the engine. Also includes an electric hands-free boot lid release sensor located underneath the rear bumper, which can be operated by a simple kicking movement below the sensor

Bang & Olufsen 3D Sound System

The system features 19 loudspeakers including a subwoofer and centre loudspeaker and a 16-channel amplifier with an output of 755 watts. Spatial sound reproduction through the new 3D sound feature for the front seats. Includes speed-sensitive volume adjustment and illuminated loudspeakers within the front doors

Technology Packs

Vision Pack

Keeps your focus on the road, with features that put driver’s information in your line of vision as well as enhancing your headlights, in order to reduce the risk of dazzling other road users. As with other technology packs, you can expect a high level of value.

Audi Virtual Cockpit

Innovative 12.3” full colour digital instrument cluster for the flexible display of information tailored to the driver’s needs. Displays the following:

- ▶ Vehicle/engine speed
- ▶ 3D Navigation map
- ▶ Audi Connect Infotainment Services
- ▶ Radio/media information
- ▶ Driver assistance systems
- ▶ All MMI functionalities (e.g. telephone, car settings etc).

The ‘view’ button on the multi-function steering wheel allows you to change between two differently sized representations of the instrument dials. The display with small instruments allows the onboard computer and MMI contents to be shown across the full display area

Head-up display

Projects warning messages or driving-related information from assistance systems and navigation system (if ordered) in full colour onto the windscreen in the driver’s direct field of vision, giving faster access to information. Display is adjustable in height

High-beam assist

Within system limits, High-beam assist detects the headlights of oncoming traffic, the rear lights of other road users and light sources in built-up areas. Depending on the traffic situation, the high beam automatically adjusts to dipped beam and vice versa, improving the driver’s visibility and enhancing comfort and convenience

		SE	Sport	S line	S4	Total RRP inc VAT ⁺

Technology Packs

Light and Vision Pack

See more, both inside and outside your A4 with our advanced lighting technology and our ultimate driver's information system, Audi Virtual Cockpit. Available on S4 and S line models only, this pack combines our most innovative options with great value.

Audi Virtual Cockpit

Innovative 12.3" full colour digital instrument cluster for the flexible display of information tailored to the driver's needs. Displays the following:

- ▶ Vehicle/engine speed
- ▶ 3D Navigation map
- ▶ Audi Connect Infotainment Services
- ▶ Radio/media information
- ▶ Driver assistance systems
- ▶ All MMI functionalities (e.g. telephone, car settings etc).

The 'view' button on the multi-function steering wheel allows you to change between two differently sized representations of the instrument dials. The display with small instruments allows the onboard computer and MMI contents to be shown across the full display area

Extended LED Interior Lighting Pack – multi-coloured

In addition to the LED Interior Lighting Pack (QQ1) includes coloured ambient lighting in the following areas:

- ▶ Door trims, front and rear
- ▶ Door storage areas, front and rear
- ▶ Cupholder
- ▶ Centre console
- ▶ Footwells, front and rear.

Three pre-defined colour profiles are available which can be individually selected, or interactively set with your Audi Drive Select mode

Matrix LED headlights with LED rear lights and dynamic front and rear indicators

Audi Matrix LED technology provides precise illumination of the road whilst reducing the risk of dazzling other road users. Using information from the vehicle's sensors, camera and MMI Navigation (if equipped), Matrix LED calculates the appropriate lighting required and automatically dips or turns off individual lighting diodes, creating corridors of lights either side of the vehicle or the object in front of it. Includes dynamic front and rear indicators which sweep from inside to out. This helps to clearly identify not only that the vehicle is turning, but in which direction

		-	-	-	•	£250
PNU	MMI Navigation (SD card-based) In addition to standard MMI Radio Plus, includes the following: ▶ Integrated navigation with 3D map display ▶ Detailed route information: map preview, choice of alternative routes, POIs, lane recommendations, motorway exits, detailed junction maps and more ▶ Dynamic route guidance with TMCpro (in combination with Audi Connect Infotainment Services: traffic information online) ▶ MMI search: free text search with intelligent suggestions provided during entry ▶ Natural voice recognition ▶ 2x SDXC memory card readers ▶ Audi Connect Infotainment Services (3-month trial)	•	S	S	-	£550
9ZE	Audi Phone Box with wireless charging Enables drivers to use their mobile phone in the car by placing it in the storage compartment provided in the front centre console to create a wireless connection to the vehicle aerial, improving reception quality (subject to network coverage). Operated via the MMI control panel, the multi-function steering wheel or the voice control system. Wireless charging available (with Qi-enabled compatible phones) or via USB port. Audi Phone Box option also provides an additional Bluetooth interface for a second device, meaning two mobile phones can be connected to the vehicle simultaneously. For mobile phone and software version compatibility, please visit your Audi Centre or www.audi.co.uk/phonecompatibility Also available in Technology Pack (WB4)	•	•	•	•	£325

Options are subject to availability and may extend time taken for delivery.

⁺Total RRP inc VAT – Recommended Retail Price including VAT which is calculated at 20%. This may alter to reflect any change in the applicable VAT rate.

Technology Driver assistance

Driver Assistance Pack – Tour

With busier roads than ever, Audi technology can keep an extra eye out. This pack brings together the driver assistance systems that support long-distance driving, especially when driving in congestion and varying average speed limit zones. As well as helping you to drive more efficiently, the pack also includes advanced safety systems.

Adaptive Cruise Control with Stop&Go and Traffic-jam assist

Automatic distance regulation, using radar sensors to maintain the required distance between your A4 and vehicles ahead by braking and accelerating. With the Stop&Go function, the system brakes the car to a stop. The driver can select from five warning thresholds and influence the system's acceleration behaviour via Audi Drive Select. Traffic-jam assist detects vehicles ahead and on adjacent lanes to assist with the braking, acceleration and also steering up to 37mph, to keep the vehicle in lane. Adaptive Cruise Control requires additional sensors in the lower front air inlets, and results in a change to the design of the inlets and differs dependent on trim. Stop&Go and Traffic-jam assist are only available when ordered with S tronic or tiptronic transmissions

Predictive efficiency assistant

The system uses navigation data e.g. speed limits, traffic signs, road bends, junctions and roundabouts to give the driver efficiency advice in the instrument cluster (or via the optional Audi Virtual Cockpit). In combination with Adaptive Cruise Control (ACC), the system uses the route data and speed limits to adjust the ACC desired speed and cornering accordingly. With automatic transmissions, the system activates free-wheeling mode or engine braking, which can help reduce fuel consumption and enhance ride comfort

Pre-sense Front

Extends the collision warning and automatic braking function of Pre-sense City to cover the entire speed range and can also increase braking initiated by the driver if this is inadequate. The system uses the camera located on the front rear-view mirror to detect vehicles and pedestrians in front, in order to reduce severity

of a collision, or if possible prevent an accident. The driver is first given a visual and acoustic warning followed by partial braking and then full brake application

Camera-based traffic sign recognition

Speed limit and traffic sign display via the Driver's Information System (DIS) or optional Head-up display. Detects the following signs: speed limits (including temporary limits), overtaking restrictions and no-entry warnings

Collision avoidance assistant

Supports the driver's actions during an avoidance manoeuvre, reducing the likelihood of a collision or of swerving off the road. The system provides additional steering torque and uses vehicle sensors to calculate the optimum path of avoidance

Turn assist

When turning at junctions, from the moment the turn indicators are activated, the turn assist system detects approaching vehicles and applies braking to help avoid a collision

Active Lane Assist

Detects lane boundary markings and helps the driver to stay in lane with gentle steering intervention for greater safety and convenience, particularly on motorways. Works at speeds above 37mph

		SE	Sport	S line	S4	Total RRP inc VAT*
PCN	Driver Assistance Pack – Tour On SE, Sport and S line only available in combination with Technology Pack (WB4), High-beam assist (8G1)	•	•	•	•	£1,250

Options are subject to availability and may extend time taken for delivery.

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle.

System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

*Total RRP inc VAT – Recommended Retail Price including VAT which is calculated at 20%. This may alter to reflect any change in the applicable VAT rate.

– = Not available • = Available S = Standard

Technology Driver assistance

Parking Assistance Pack

Enhancing the front and rear parking sensors that come as standard, this pack adds all-round cameras to help optimise your view while parking – and can even help you find and manoeuvre into a parking space.

360° camera

Wide-angle lenses cover the close range around the vehicle. The driver can choose between different image representations in the MMI display, including a live ‘bird’s-eye view’ image for parking. Includes guidelines which help the driver manoeuvre and navigate the vehicle into the right position

Parking assist

Searches for suitable parking spaces along the road by means of ultrasonic sensors, calculates the ideal parking path and performs the steering action virtually automatically. The system can support the driver with:

- ▶ Parallel parking in reverse
- ▶ Exiting a parallel parking space, driving forwards
- ▶ Bay parking, both reverse and forwards

Steering is done by the vehicle, with the driver responsible for acceleration and application of the brakes

		SE	Sport	S line	S4	Total RRP inc VAT ⁺
PCF	Parking Assistance Pack Only available with optional mirrors (6XE, 6XF or 6XL) and on SE, Sport and S line models only available with Technology Pack (WB4)	•	•	•	•	£900

– = Not available • = Available S = Standard

Technology Driver assistance

Parking Assistance Pack Advanced

In addition to the contents of the Parking Assistance Pack, this pack includes the latest technology to provide help in busy traffic situations, when changing lane, exiting your car and when reversing – for the convenience and protection of all occupants.

Audi Pre-sense Basic

Audi Pre-sense is a comprehensive technical package for identifying dangers well in advance and intervening appropriately to provide extra safety and protection. Where necessary, actions are taken to protect the driver and passengers from a potential collision. These include: front seat belt tightening, activating the hazard warning system, closing the windows and the sunroof (if fitted)

Audi Pre-sense Rear

Monitors vehicles following from behind and if a potential collision is detected, the driver is first warned visually via flashing light, then Audi Pre-sense Basic measures (e.g. closing windows) are initiated and if a collision is unavoidable, the system will tighten the front seat belts. The system is deactivated when towing

Audi Side Assist

Aids the driver when changing lane. Audi Side Assist monitors the area behind the vehicle, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind

Cross-traffic assist rear

Warns the driver of traffic crossing behind their own vehicle when reversing. The system alerts the driver first visually and then acoustically via the MMI, and then applies a brake jolt if a potential collision is detected

Exit Warning

Monitors the rear and side of your stationary A4 and warns the occupants via a warning light on the door before they exit that vehicles/cyclists are approaching from behind

		SE	Sport	S line	S4	Total RRP inc VAT ⁺
PCZ	Parking Assistance Pack Advanced Only available with optional mirrors (6XE, 6XF or 6XL) and on SE, Sport and S line models only available with Technology Pack (WB4)	•	•	•	•	£1,350

Audi configurator

The easy way to build your Audi

Our online configurator makes it easy to create and price your ideal Audi by simply choosing your favourite options.

Visit www.audi.co.uk/configurator to create your perfect Audi A4

Financing your Audi

A range of finance plans designed to suit you

At Audi, we offer a range of ways to finance your new Audi A4 – with most finance agreements, you just need to choose your annual mileage and the length of the term, then pay an initial deposit which could be as little as one monthly payment. For more details, see the accompanying Audi Finance booklet, or speak to your local Audi Centre.

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculators

Use our finance calculators to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators and see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance* is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. ¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC). The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139. ²Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive (80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced. ³The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). ⁴Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

A4 Saloon technical data – petrol engines continued

Depending on your chosen A4 wheel size, different efficiency figures for CO₂ emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective 01/09/14). This table is a quick reference guide to help you find the correct values based on wheel sizes and your chosen engine.

The information on this page is relevant for new factory orders only and is correct at time of publication. Please confirm with your Audi Centre the exact specification and technical data for your model. ¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC). The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139. ²Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

A4 Saloon technical data – diesel engines

All of our A4 engines meet EU6 emissions standards. For diesel engines, this means the addition of an AdBlue® tank to ensure compliance. The AdBlue® tank size for your engine is shown below and it may require a top-up between services.

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC). The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139. ²Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive (80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced. ³The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). ⁴Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

A4 Avant technical data – diesel engines continued

Depending on your chosen A4 wheel size, different efficiency figures for CO₂ emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective 01/09/14). This table is a quick reference guide to help you find the correct values based on wheel sizes and your chosen engine.

A4 Saloon dimensions

All the measurements you need

See the exact dimensions of the Audi A4 Saloon, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.

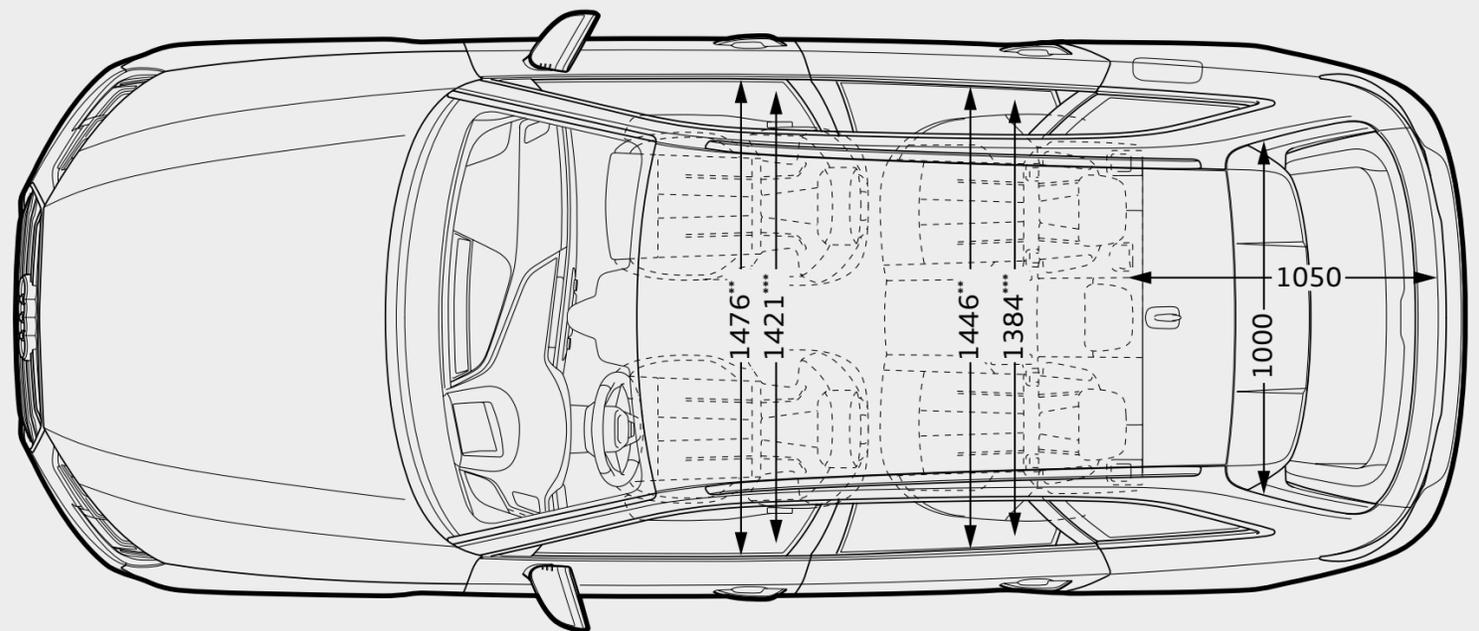

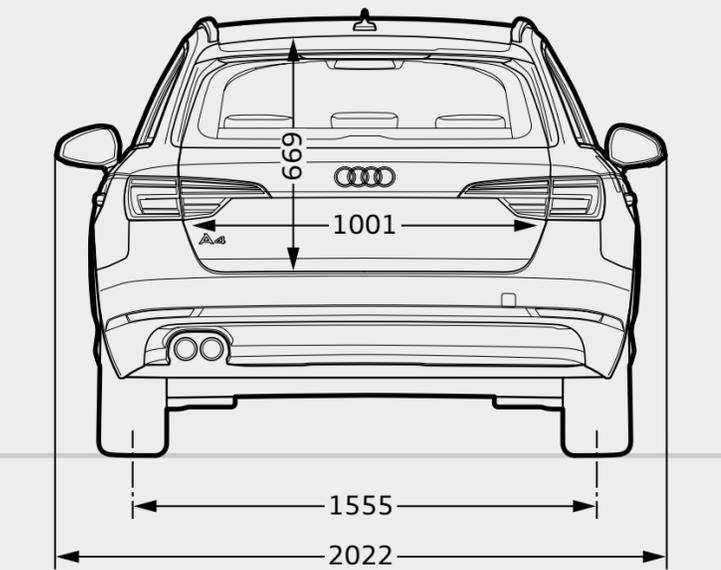

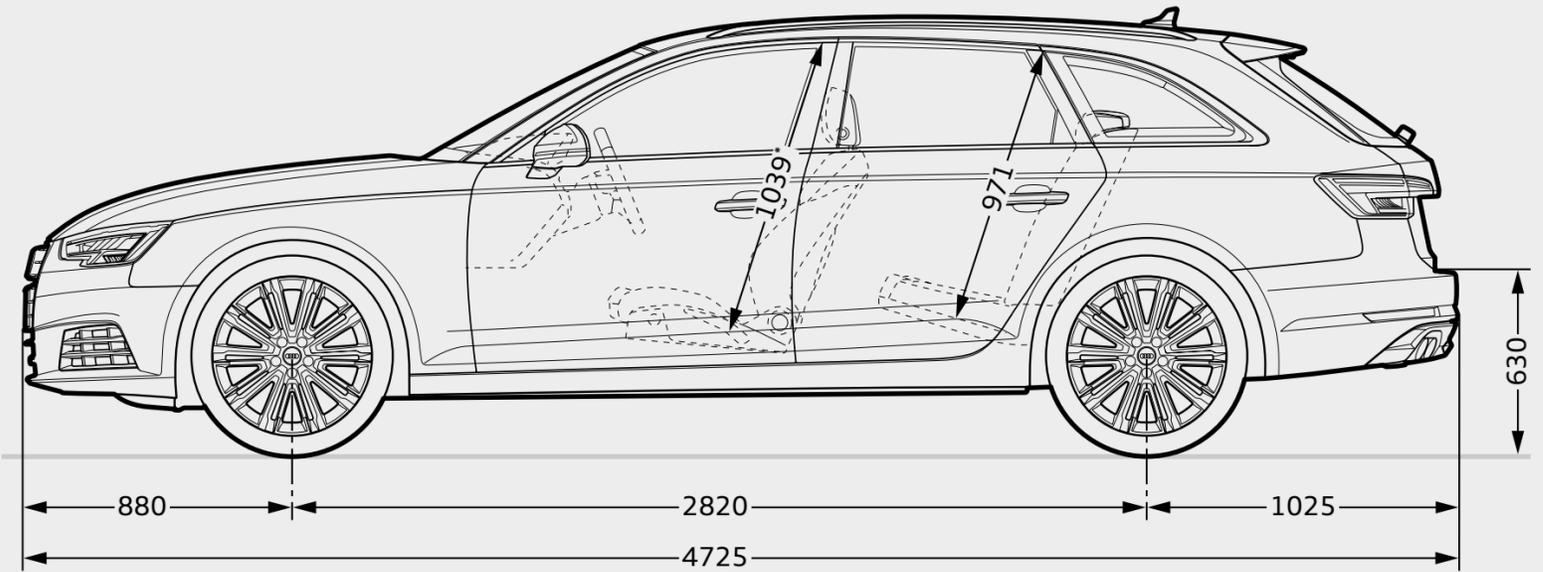

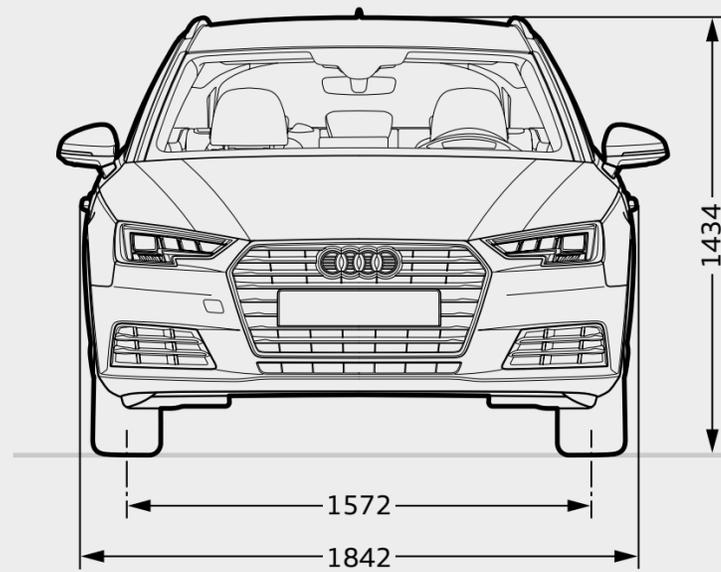

Please note that luggage capacity is reduced when a BOSE® surround sound system or Technology Pack is fitted. Dimensions in millimetres. Optional equipment may affect dimensions. Dimensions were measured with vehicle at unladen weight. Turning circle approx 11.6m. *Maximum headroom. **Elbow room width. ***Shoulder room width. †Measured by the VDA standard test method using 200 x 100 x 50mm blocks.

A4 Saloon luggage compartment capacity:† 480l (rear seats up) or 965l (rear seats folded).

A4 Avant dimensions

All the measurements you need

See the exact dimensions of the Audi A4 Avant, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.

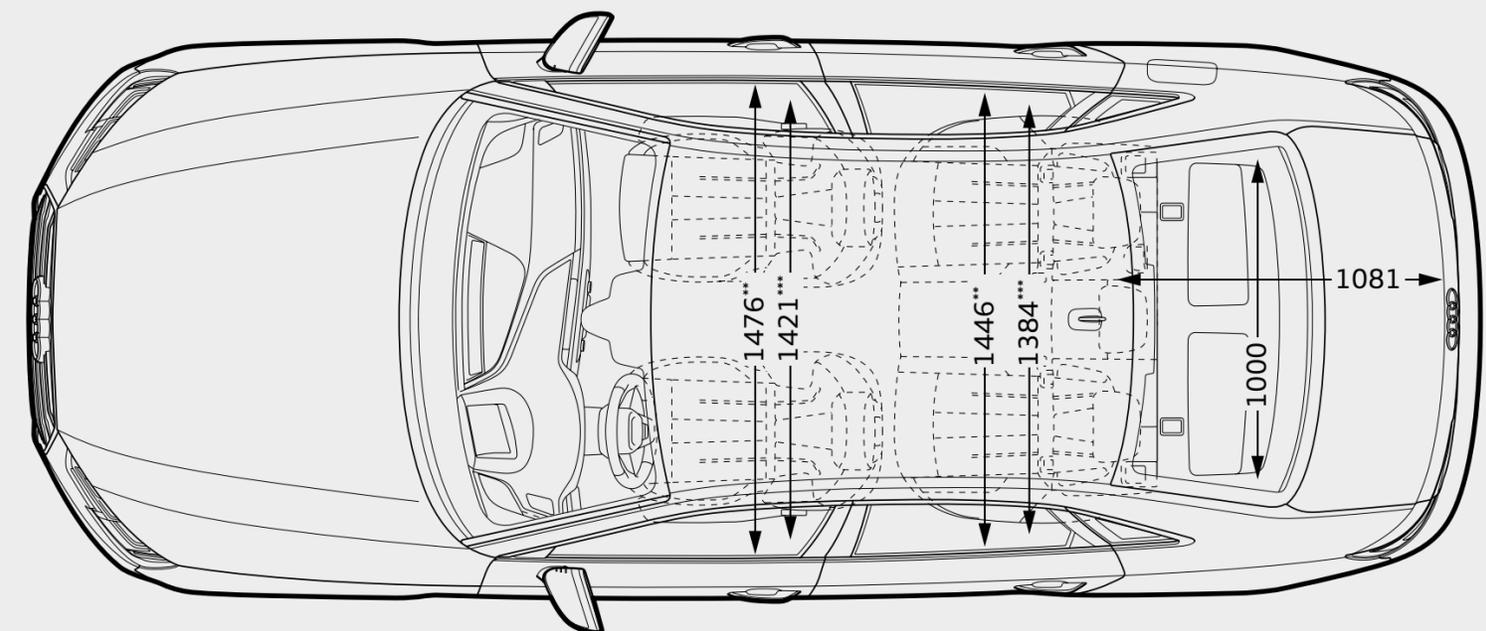

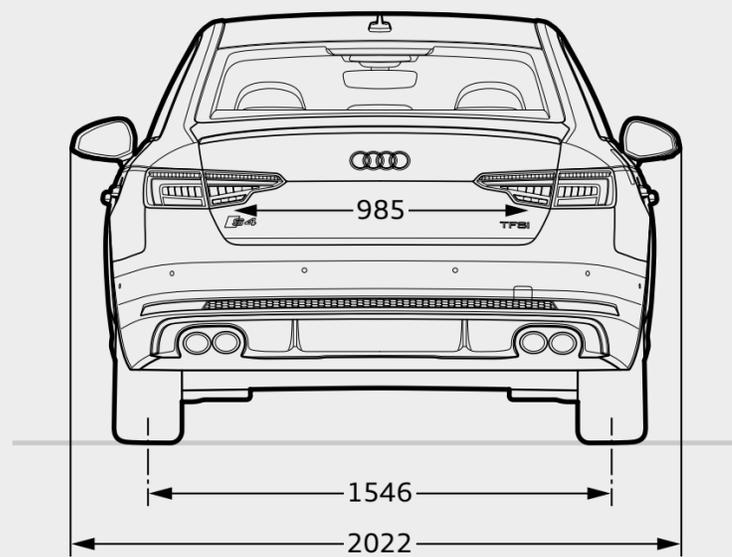

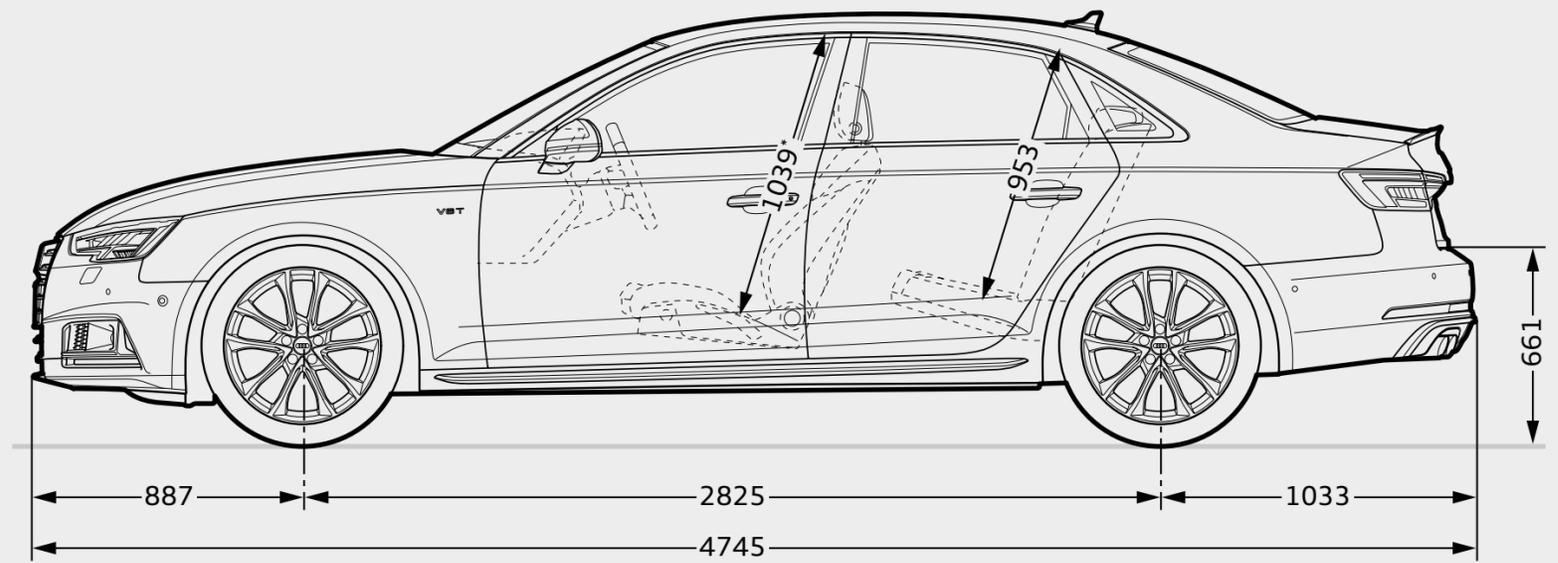

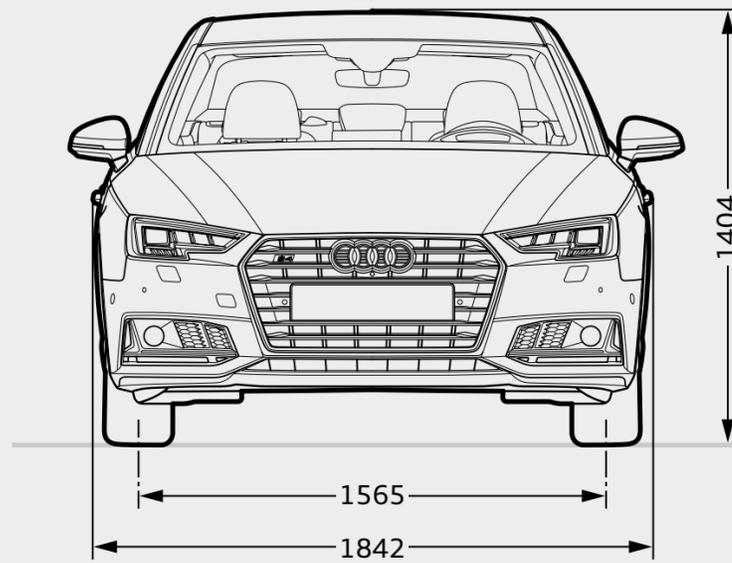

Please note that luggage capacity is reduced when a BOSE® surround sound system or Technology Pack is fitted. Dimensions in millimetres. Optional equipment may affect dimensions. Dimensions were measured with vehicle at unladen weight. Turning circle approx 11.6m. *Maximum headroom. **Elbow room width. ***Shoulder room width. †Measured by the VDA standard test method using 200 x 100 x 50mm blocks.

A4 Avant luggage compartment capacity:† 505l (rear seats up) or 1510l (rear seats folded).

S4 Saloon dimensions

All the measurements you need

See the exact dimensions of the Audi S4 Saloon, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.

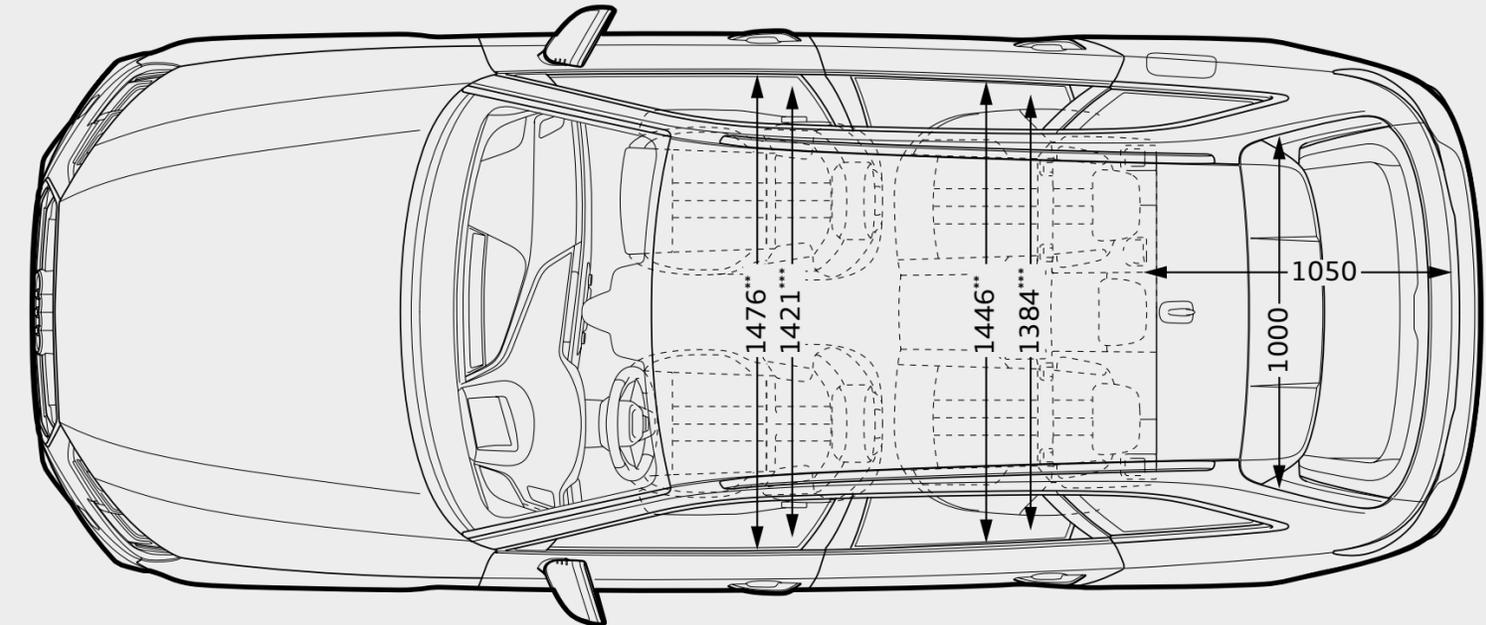

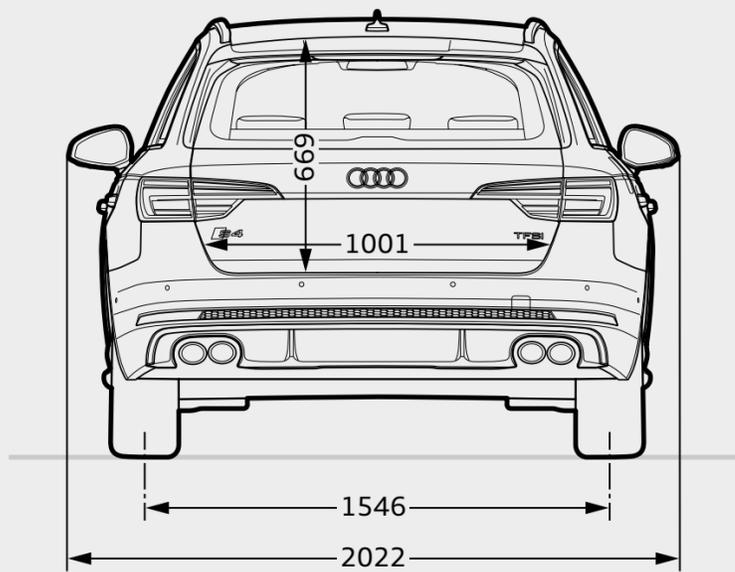

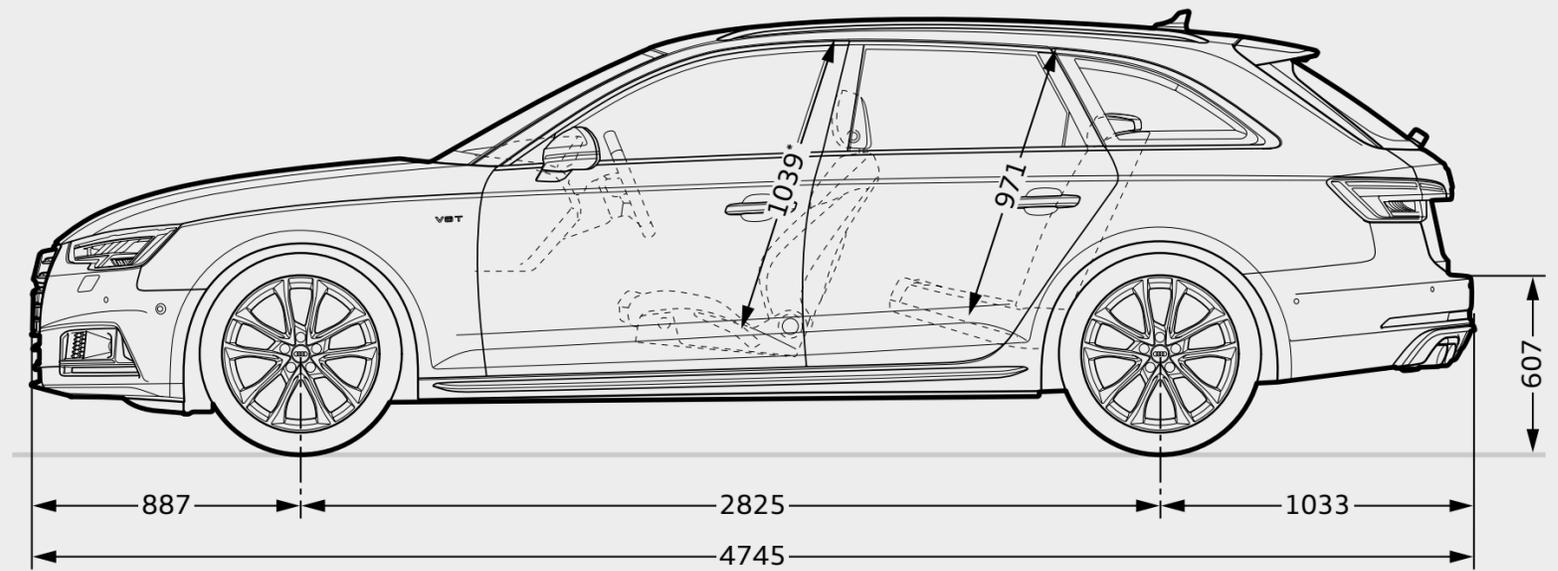

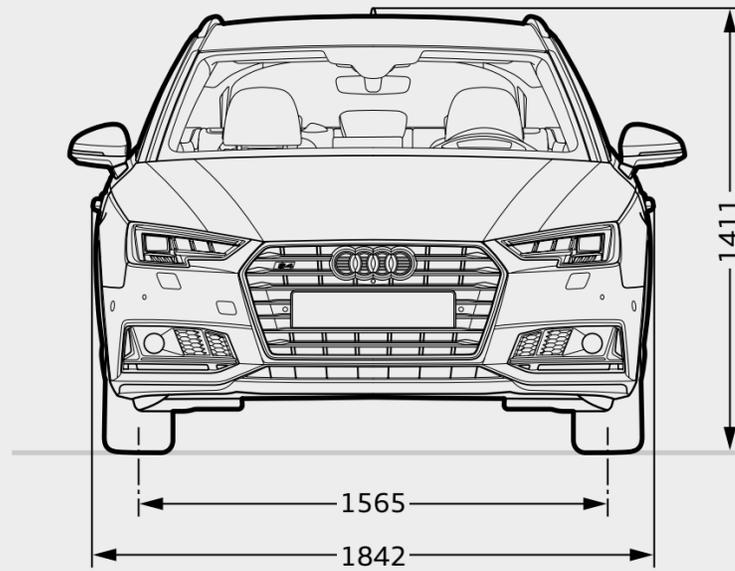

Please note that luggage capacity is reduced when a BOSE® surround sound system or Technology Pack is fitted. Dimensions in millimetres. Optional equipment may affect dimensions. Dimensions were measured with vehicle at unladen weight. Turning circle approx 11.6m. *Maximum headroom. **Elbow room width. ***Shoulder room width. †Measured by the VDA standard test method using 200 x 100 x 50mm blocks.

S4 Saloon luggage compartment capacity:† 480l (rear seats up) or 965l (rear seats folded).

S4 Avant dimensions

All the measurements you need

See the exact dimensions of the Audi S4 Avant, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.

Please note that luggage capacity is reduced when a BOSE® surround sound system or Technology Pack is fitted. Dimensions in millimetres. Optional equipment may affect dimensions. Dimensions were measured with vehicle at unladen weight. Turning circle approx 11.6m. *Maximum headroom. **Elbow room width. ***Shoulder room width. †Measured by the VDA standard test method using 200 x 100 x 50mm blocks.

S4 Avant luggage compartment capacity:† 505l (rear seats up) or 1510l (rear seats folded).

Important information

Welcome to Audi

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first two years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this pricelist

We've done all we can to make the prices, specifications, technical details and all other information you see in this pricelist accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specification at any time. All prices shown in this guide include VAT which is currently charged at 20%.

Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission – see table for details) and first registration fee at £55.00.

The images featured in this pricelist are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created 13 categories:

Petrol and diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0	£0
B – 101 to 110g/km	£0	£20
C – 111 to 120g/km	£0	£30
D – 121 to 130g/km	£0	£110
E – 131 to 140g/km	£130	£130
F – 141 to 150g/km	£145	£145
G – 151 to 165g/km	£185	£185
H – 166 to 175g/km	£300	£210
I – 176 to 185g/km	£355	£230
J – 186 to 200g/km	£500	£270
K – 201 to 225g/km	£650	£295
L – 226 to 255g/km	£885	£500
M – over 255g/km	£1,120	£515

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

*Excludes Road Angel products.

Important information continued

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Infotainment Services

Audi Connect Infotainment Services are provided via a SIM card embedded in the vehicle. The cost for data connection is free of charge during the standard 3-month free trial or included within the cost of the optional Audi Connect Infotainment Services 36-month subscription. Data is unlimited (but you will not, for example, be able to use the embedded SIM to provide Wi-Fi hotspot services or to tether any other device to the embedded SIM). There are no additional charges for data roaming within the EU, (availability of services limited to certain countries). Please note that, if an external SIM card is inserted into the card slot (e.g. so as to enable Wi-Fi hotspot services), then all Audi Connect Infotainment Services data connections will be made via this SIM card (not the embedded SIM card) and all related data costs incurred may be charged to the customer by the provider of the plan associated with the external SIM card.

Audi Connect Infotainment Services are available only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider. The content and scope of the online based services offered may vary.

Audi Connect Infotainment Services enables access to the certain search, social media and other online services provided by third parties. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider. Google and the Google logo are registered trademarks of Google Inc. All other trademarks are the property of their respective owners.

The availability of services supported by Audi Connect Infotainment Services varies from country to country and can be dependent on the capability of your mobile phone. For mobile phone and software compatibility please visit www.audi.co.uk/phonecompatibility or your Audi Centre.

Audi Connect Infotainment Services 3-month trial

The 3-month free use of Audi Connect Infotainment Services is activated from vehicle delivery. Should you wish to continue with the services after the three months please consult your Audi Centre for details. Charges will apply upon renewal. The Audi Connect Infotainment Services listed are correct at time of publication, please be aware that we cannot guarantee permanent availability to all these services throughout the 3-month trial.

Audi Connect Infotainment Services 36-month subscription

If purchased as part of the optional Technology Pack, a 36-month subscription for the use of Audi Connect Infotainment Services is activated from vehicle delivery. The Audi Connect Infotainment Services listed are correct at time of publication, please be aware that we cannot guarantee permanent availability to all these services throughout your subscription. Should you wish to continue to use Audi Connect Infotainment Services after 36 months please consult your Audi Centre for details. Charges will apply upon renewal.

Online Map updates for MMI Navigation Plus

The map version delivered for the optional MMI Navigation Plus can be updated with the first five updates which are issued at intervals of six months. The current navigation data can be downloaded from the myAudi Platform at www.audi.com/myaudi and installed in the vehicle via SD card. In combination with Audi Connect Infotainment Services, the update can be carried out online in the vehicle. In addition, it is possible to have the new navigation data installed by an Audi Centre at extra cost.
